

### PROGRAM OUTCOMES, 2016

Since 2005, the LSSI program has served over 507 students with placement in summer research internships and trained 225 teachers through the Teacher Program across 52 school districts. This has impacted over 54,386 students in the region bringing hands-on biotechnology laboratory experiences and resources directly into the classroom.

LIFE SCIENCE SUMMER INSTITUTE STUDENT PROGRAM			
Year	# High School/College Applicants	# Boot Camp Attendees	# Student 7-week Internships
2005	38	23	13
2006	127	34	44
2007	198	50	61
2008	304	72	50
2009	260	37	45
2010	305	37	52
2011	317	32	42
2012	431	45	37
2013	331	36	40
2014	320	32	42
2015	299	28	36
2016	323	43	45
LIFE SCIENCE SUMMER INSTITUTE TEACHER PROGRAM			
Year	# Teacher Participants	# Students Influenced per Year*	
2005	9	1,701	
2006	18	3,402	
2007	25	4,347	
2008	18	3,402	
2009	25	4,725	
2010	24	4,536	
2011	19	3,591	
2012	17	3,213	
2013	26	4,914	
2014	17	3,213	
2015	14	2,646	
2016	13	2,457	

*\*estimate based on 189 students per teacher each year*

FORENSIC WORKSHOPS FOR TEACHERS		
Year	# Teacher Participants	# Students Influenced per Year*
2012	41	7,749
2013	13	2,457
2014	27	5,103
2015	20	5,103
2016	20	3,780

*\*estimate based on 189 students per teacher each year*
